Call for experts

Deliverable D3.3 Pool of experts

Public Opinion Research Unit at the University of Macedonia Research Institute launches a Call for Experts in order to participate to the Deliverable D3.3 Pool of experts **for the purpose of the Interreg IPA – CBC “Greece – North Macedonia” 2014-2020 Beln Project.**

The main scope of the D3.3 “Pool of experts” is to form an **experts’ pool that** will provide guidance and consulting to the overall project team on issues of entrepreneurship, innovation in the total marketplace framework. This pool of experts will be consisted by experts in business development, management, marketing, and innovation, while interdisciplinary approaches are more than welcome.

The experts’ pool serves a dual role; On the one hand it serves as the scientific board of the project, providing guidance and analysis through regular reports on contemporary trends. On the other hand, it will participate through the designated actions/deliverables to the design and the implementation of the project tools (such as deliverables D3.4 “e-library”, D4.1 “Careers digital hub”, D4.3 “Young leaders accelerator”, D5.2 “Future trends workshop”) that target directly all project’s participants and beneficiaries in individual level -such as young, qualified graduates and SMEs.
